31 South Ridge Drive Hendersonville, NC

Situated on 2.68 acres with walking trails and a private pond, this home offers a rare opportunity to enjoy space and privacy in a prestigious neighborhood. Each detail seamlessly combines luxurious living with the beauty of nature. Features like hand-harvested Redwoods adorns the great room, hand-cut limestone inlay tile detailing, and over 700 pieces of stained glass windows, made by the seller, are just a few features to appreciate. The grounds have been meticulously designed and maintained, creating a stunning backdrop for outdoor gatherings, relaxation, and a connection to nature that is hard to find in a suburban setting.
