DOWNTOWN WEAVERVILLE

It's been my honor to have sold real estate in the Downtown Weaverville and surrounding area for over 27 years. My Town has numerous restaurants, galleries, shops, churches, a library, and a nature park. There are numerous events held annually such as Art in Autumn, Music on Main, and The Candlelight Stroll. Weaverville has all that one might look for in a small town. I love my hometown!

FAIRVIEW

From growing up in Fairview to building our forever home there with my wife and two kids, it has always been and forever will be home to me. Fairview has long had a special way of growing and changing while maintaining those unique roots, and it is one of my greatest joys to be able to help people make it their home, too.

GROVE PARK Jessica Jackson is a long time resident of North Asheville and has represented both sellers and buyers in the Grove Park area. She understands how to market and highlight the historical characteristics of the neighborhood and how to support a thorough due diligence when purchasing a historic home.

There is normally Good, Better, and Best. And then there is Exceptional. Jessica Jackson defines Exceptional. She is absolutely one of the best Realtors I've ever worked with. I feel very lucky to have found Jessica. Jessica is caring, listens well, and was fun to work with. She is a great agent - outstanding! ~ Chris G.
