My family and I live within walking distance to Beaver Lake where you will find us strolling through the Bird Sanctuary admiring the abundant wildlife; or you might catch us cruising around on our e-bikes through Lakeview Park and Reynold's Mountain. The surrounding neighborhoods have much to offer including Asheville's Country Club, close proximity to the Blue Ridge Parkway, restaurants, coffee shops, and beautiful mountain views. Asheville Realty Group is North Asheville's boutique real estate firm, with local market experts like myself living right here at Beaver Lake!
