Jewelry Makers

At Marthaler Jewelers, we believe that authenticity matters in gemstones and relationships. While our independently owned jewelry store takes pride in finding and showcasing the finest jewelry and gems, above all, the relationship with our clients is the most precious thing.

Andy, an expert gemologist, takes pride in sitting down with each of our clients and offering pricing based on the most recently reported industry insider valuations.

We have built the Marthaler brand on the values that guide our daily lives: trust, transparency, and a commitment to excellence.
