

LOVE THE LIFESTYLE

Staffed with professional Building Consultants, America's Home Place offers a comprehensive home building experience. We will help you through every step of the process, from selecting the best house plan for you to choosing options to suit your style and budget. You can view samples of siding, roofing, flooring, cabinetry, granite countertops, paint colors, faucets, lighting and more in our Building Center. Walk through our two Model Homes to see the quality of our construction for yourself. Call or come by today and discuss your dream home with us!
