IMAGINE THE POSSIBILITIES

Begin the exciting adventure of building your new custom home today with the builder you can trust

America's Home Place is a home construction company that you can trust with your family's dreams for a custom home. Our philosophy of "principle over profit" has been the foundation for our culture and growth for over 45 years. With a passion for building and a commitment to families, we've grown from a single location in Gainesville, Georgia to 38 Custom Home Building Centers across the Eastern United States.
