Raised in the beautiful western North Carolina mountains, Tabitha graduated from A.C. Reynolds High School and later Montreat College with a BA in Business Administration. Tabitha spent the last 12 years in the financial industry where she was a branch manager that originated mortgages and home equity lines, while also running daily operations at a bank. She joined ALCOVA Mortgage in December 2021 to focus solely on originating mortgages. Tabitha is licensed in NC and SC, is active with the Chamber of Asheville, and is a member of Business Networking International. While she is passionate about educating first time home buyers, and guiding them through the process, she also enjoys helping the more experienced home buyer with their next home purchase.
